

I, (full names)

with ID no., hereby apply for registration for the remote pilot course. I take note of the following requirements and by signing this document I acknowledge that I fulfil the requirements that are outlined below. The price of the course is 25 950,00 (Twenty Five Thousand, Nine Hundred and Fifty rands)

To register for the remote pilot course, the potential student must:

- ➔ be at least eighteen years old;
- ➔ pass a class 3 aviation medical examination by a senior designated aviation medical examiner (AME) who is approved by the South African Civil Aviation Authority (SACAA); and
- ➔ meet the minimum standards for language proficiency.

Class 3 aviation medical examination

There is a number of AMEs on the SACAA registry. We will provide the student with a comprehensive list upon request. Alternatively, student can download the complete list directly from the SACAA website.

***Please be aware** that the results of a medical examination may be impacted by specific medical issues, for example depression, high or low blood pressure, epilepsy, diabetes, vision and colour blindness and cardiac-related illness, among others.

Language proficiency

For the limited radio telephony licence, the student must be proficient in the English language.

For the restricted radio licence, the candidate must complete a language proficiency test or provide proof of proficiency. This proof can be in the form of one of the following certificates:

- ➔ **Senior certificate** (obtaining at least a D symbol in English First Language)
- ➔ **College diploma or certificate** (at least a 2-year, SAQA-recognised qualification with English as language of instruction)
- ➔ **University degree** (at least a 2-year, SAQA-recognised qualification with English as language of instruction)

Signed: **Date:**.....
